

## NEWSLETTER June 2026

### MESSAGE FROM CHIEF INVESTIGATOR

**Dear colleagues,**

We would like to thank all sites for your continued hard work and commitment. Your efforts are instrumental in helping us reach the recruitment targeted for the trial. We would like to encourage all participating sites to continue their recruitment efforts and, where possible, aim to recruit approximately **2** patients per month to support the successful delivery of the trial. We are also currently looking to open additional sites. If your centre is interested in participating in the trial, please contact the central study team for further information and support regarding site set-up.

**Mr Angelos Kalias**
